

Hekaya Mixat Bundles Reference Guide - e& Egypt

Subject: Hekaya Mixat prepaid mobile bundle system from e& Egypt.

Coverage Scope: 6 monthly bundles, 3 Hekaya Mini recharge bundles, 10 exclusive Super Connect bundles for Hekaya Mixat, 3 add-on bundles (Extra), Home Internet redemption service, family lines, integration with the Coins program, weekly renewal, USSD codes, and 24 terms and conditions clauses.

1. Overview of the Hekaya Mixat System

Hekaya Mixat is a suite of prepaid mobile bundles from e& Egypt based on the "Mix" unit instead of separate minutes and megabytes. A Mix can be used for calls, SMS, or mobile internet, consumed according to the customer's needs.

Mix Consumption Rates in Hekaya Mixat from e& Egypt:

- **1 Mix** = 1 call minute or 1 SMS to the e& Egypt network.
- **5 Mixes** = 1 call minute or 1 SMS to other local networks.
- **1 Mix** = 2 MB for social media apps (Facebook, Messenger, Instagram, Snapchat, X/Twitter, WhatsApp, TikTok).
- **1 Mix** = 1 MB for other websites and apps.
- **Favorite Number in Hekaya Mixat:** Every minute to a selected favorite number is charged at 0.5 Mix instead of 1 full Mix.

2. Features of Hekaya Mixat Bundles

Hekaya Mixat bundles from e& Egypt offer the following core features:

- Larger bundles at the same price compared to previous e& Egypt bundles.
- **Favorite Number Selection:** Customers can select favorite numbers to enjoy calls at half the standard Mix rate.
- Included access to Facebook, WhatsApp, VIU, Twist TV, and Twist Music.
- **Better Value and Size for Families:** Mixes can be shared among family members along with free/reduced calls between them.

- Home Internet bundled into a single plan for Hekaya Mixat 180 and Hekaya Mixat 270.
- Hekaya Mini recharge renewals starting from just 19 EGP.
- Earning Coins with every Hekaya Mixat renewal, redeemable for rewards via the Coins program.
- Emergency credit (Salafny) service available for Hekaya Mixat customers without hassle.
- A monthly 50 EGP gift/voucher for Hekaya Mixat 180 and 270 customers to subscribe to music and video platforms.
- Extra bonus megabytes when renewing Hekaya Mixat and Super Connect bundles together.

8. Family Lines in Hekaya Mixat

Hekaya Mixat allows sharing the base bundle with family members. Allowed additional lines per bundle:

- **Hekaya Mixat 52:** No additional family lines allowed.
- **Hekaya Mixat 69:** No additional family lines allowed.
- **Hekaya Mixat 92:** 1 additional family line.
- **Hekaya Mixat 120:** 1 additional family line.
- **Hekaya Mixat 180:** 2 additional family lines.
- **Hekaya Mixat 270:** 3 additional family lines.

Mix Distribution to Family Lines

When adding a family line, the primary line holder can allocate a fixed percentage of the primary bundle's Mixes on a monthly basis:

- **10%** of the primary Hekaya Mixat bundle.
- **25%** of the primary Hekaya Mixat bundle.
- **50%** of the primary Hekaya Mixat bundle.

In addition to the fixed monthly allocation, the primary line holder can transfer on-demand extra Mixes to any family line at any point during the month via *319# or the My e& Egypt app.

9. Mix Rollover and Renewals

- **Rollover to the Following Month:** Unused Mixes from the current billing cycle roll over to the next month if the customer renews on or before the due date. If the renewal is late, leftover Mixes are forfeited.
- **Consumption Priority:** Consumption is drawn first from the current month's base bundle Mixes, then from rolled-over Mixes from the previous month.
- **Out-of-Bundle Rates:** After exhausting all bundle Mixes, the customer is billed at a flat rate of 19 piasters per minute or megabyte until the bundle is renewed or a new add-on is purchased.

- **Early Renewal:** Customers can renew before the due date after exhausting their Mixes via the Early Renewal service by dialing *807#.

10. Weekly Renewal in Hekaya Mixat

Hekaya Mixat allows weekly renewals instead of full monthly renewals via the *809# USSD codes:

- **Renew for 1 week:** Dial *809*1#.
- **Renew for 2 weeks:** Dial *809*2#.
- **Renew for 3 weeks:** Dial *809*3#.

Weekly Consumption Limits by Bundle (Legacy Systems)

Weekly consumption limits correspond to previous tier names in Hekaya Mixat:

- **Hekaya Mixat 35:** Weekly max consumption: 120 Mixes / 240 minutes.
- **Hekaya Mixat 50:** Weekly max consumption: 400 Mixes / 800 minutes.
- **Hekaya Mixat 65:** Weekly max consumption: 500 Mixes / 1,000 minutes.
- **Hekaya Mixat 100:** Weekly max consumption: 850 Mixes / 1,700 minutes.
- **Hekaya Mixat 150:** Weekly max consumption: 1,500 Mixes / 3,000 minutes.
- **Hekaya Mixat 200:** Weekly max consumption: 2,700 Mixes / 5,400 minutes.

Note: The bundle names above (35, 50, 65, 100, 150, 200) reflect an older naming system and may differ from current active plans (52, 69, 92, 120, 180, 270). Fair usage rules apply once limits are reached.

11. Integration with the Coins Program in Hekaya Mixat

Upon every bundle renewal, Hekaya Mixat subscribers automatically earn Coins credited to their e& Egypt rewards balance:

15. Frequently Asked Questions (FAQ)

What is Hekaya Mixat from e& Egypt?

Hekaya Mixat is a prepaid mobile bundle system from e& Egypt that relies on a unified unit ("Mix") rather than separate buckets for minutes and megabytes. It encompasses 6 monthly bundles, 3 weekly recharges, exclusive Super Connect add-ons, and Extra top-ups.

What is the conversion rate of a Mix to minutes and megabytes?

In Hekaya Mixat from e& Egypt: 1 Mix = 1 minute/SMS to e& Egypt, 0.2 minutes (5 Mixes = 1 min) to other networks, 2 MB for social media applications (Facebook, WhatsApp, Instagram, etc.), or 1 MB for general web browsing.

What are the key differences between the 6 monthly Hekaya Mixat bundles?

The tiers scale in price and benefits: Mixat 52 (74.29 EGP incl. tax) and Mixat 69 (98.58 EGP) are entry plans; Mixat 92 (131.44 EGP) and Mixat 120 (171.44 EGP) add 1 family line and uncapped Facebook/WhatsApp; Mixat 180 (257.15 EGP) and Mixat 270 (385.72 EGP) add Home Internet redemption and multiple family lines.
