

Reference Guide to Simple Prepaid Plans from e& Egypt

Subject: Simple prepaid plans from e& Egypt, covering four systems: Aqwa Card, Ahlan Pay As You Go, Daily Plans, and Menu El Geneh (Pound Menu) bundles.

Coverage Scope: 8 Aqwa Card recharges, 3 Ahlan Pay As You Go plans, 2 Daily bundles, 3 Menu El Geneh bundles — totaling 16 options.

1. Overview of Simple Prepaid Plans

e& Egypt offers a collection of simple prepaid plans designed for various customer segments. These differ from the Hekaya Mix and Hekaya Internet plans by being simpler, shorter in validity, and generally lower in price. They include the following four plans:

Aqwa Card Plan from e& Egypt: A recharge-based prepaid system featuring 8 recharge tiers ranging from 5 EGP to 75 EGP, valid for 2 to 28 days, granting Mixes, video/entertainment/social minutes, and sometimes an embedded Hekaya Mini recharge.

Ahlan Pay As You Go Plan from e& Egypt: 3 tariff plans for per-use billing without bundles (15 Piastres Everything, Super Yes, Ahlan by the Second).

Daily Plans from e& Egypt: 2 quick daily bundles (55 Mixes and 120 Mixes) that expire at midnight, offering flexibility to use across minutes, internet, and SMS.

Menu El Geneh Bundles from e& Egypt: 3 micro-bundles (Half-Pound Menu, One-Pound Menu, One-and-a-Half-Pound Menu) providing minutes alongside a limited internet balance.

2. Aqwa Card Plan from e& Egypt

Aqwa Card is a prepaid recharge system from e& Egypt based on multi-tier recharges through which the customer receives Mixes, internet/video/entertainment/social minutes, and occasionally an embedded Hekaya Mini recharge. 6. Common Concepts Across Plans

The Mix

The Mix is the unified unit used across e& Egypt prepaid systems (Aqwa Card, Daily Plans, Menu El Geneh, Hekaya Mixes). The customer spends it on calls, internet, and SMS at the following rates: 1 Mix per minute to e& Egypt numbers, and 5 Mixes per minute to other networks.

Favorite Numbers

A feature in the Ahlan Super Yes plan from e& Egypt, allowing the customer to set up to 10 favorite numbers to enjoy a special rate of 7 piastres per minute and SMS instead of the regular rate.

Other Networks

Telecommunications networks in Egypt other than e& Egypt. Calling or texting other networks costs 5 times more than on-net usage within the e& Egypt network in most prepaid bundles.

Integrated Hekaya Mini Recharge

A feature in the 19, 22.5, and 30 EGP Aqwa Card recharges from e& Egypt, where the customer receives an embedded Hekaya Mini recharge (400 / 525 / 700 Mixes with Facebook and WhatsApp) on top of the base recharge allowance.

7. Codes for Different Plans

Each of the four plans has a specific code used by the customer for subscription or management. Each code is detailed independently below for easy retrieval:

Code *811# in e& Egypt: To subscribe to all Aqwa Card recharges from 5 EGP to 75 EGP.

Code *339# in e& Egypt: To switch between the three Ahlan Pay As You Go plans (15 Piastres Everything, Super Yes, Ahlan by the Second).

Code *972# in e& Egypt: To subscribe to Daily Bundle 55 Mixes for 1.5 EGP.

Code *973# in e& Egypt: To subscribe to Daily Bundle 120 Mixes for 2.5 EGP.

Code *101# in e& Egypt: To subscribe to all three Menu El Geneh bundles (Half-Pound Menu, One-Pound Menu, One-and-a-Half-Pound Menu).

Code *3333# in e& Egypt: To migrate between different plans and check the latest offers.

Number 5250: Voice service for Ahlan Pay As You Go plans in e& Egypt.

Number 535: To configure favorite numbers in the Ahlan Super Yes plan — call for 60 piastres or SMS for 7 piastres.

8. Glossary of Terms

Aqwa Card

A simple prepaid recharge system from e& Egypt, featuring 8 recharges ranging in price from 5 to 75 EGP.

Ahlan Pay As You Go

A group of 3 prepaid tariff plans from e& Egypt without bundles, billed per usage: 15 Piastres Everything, Super Yes, and Ahlan by the Second.

Super Yes

An Ahlan plan for favorite numbers from e& Egypt, allowing 10 favorite numbers to be configured at a rate of 7 piastres per minute and SMS.

Ahlan by the Second

An Ahlan plan from e& Egypt that charges per second rather than per minute, with two rates: 3 milliemes/second night, 4 milliemes/second day.

Daily Plans

Two ultra-short bundles from e& Egypt (55 Mixes for 1.5 EGP, and 120 Mixes for 2.5 EGP) that expire at midnight.

Menu El Geneh

3 micro-bundles from e& Egypt focusing on calls to e& Egypt numbers, priced at approximately 0.5, 1, and 1.5 EGP.

The Mix

The unified balance unit used across e& Egypt prepaid systems, usable for calls, internet, and SMS according to designated consumption rates.

Hekaya Mini Recharge

A short-validity recharge from the Hekaya Mixes plan by e& Egypt, including Mixes along with Facebook and WhatsApp, occasionally embedded within Aqwa Card recharges.

Favorite Numbers

A list of 10 numbers set up by the customer in the Ahlan Super Yes plan from e& Egypt to receive a discounted rate (7 piastres) for calls and SMS.

Code *811#

The unified code to subscribe to all Aqwa Card recharges from e& Egypt.

Code *339#

The unified code to switch between the three Ahlan Pay As You Go plans in e& Egypt.

Code *101#

The unified code to subscribe to all Menu El Geneh bundles from e& Egypt.

Code *3333#

The general code for plan migration in e& Egypt, as well as for checking offers and services.

9. Frequently Asked Questions about Simple Prepaid Plans

The following frequently asked questions are structured so that an information retrieval system can fetch each complete answer independently:

What is the difference between Aqwa Card and Hekaya Mix from e& Egypt?

Aqwa Card from e& Egypt is a simple prepaid recharge system that does not require a monthly bundle subscription; the customer receives Mixes and internet/video/social minutes with every recharge ranging from 5 EGP to 75 EGP. In contrast, Hekaya Mix is a larger system offering fixed monthly bundles and broader features such as Home Internet and family lines.

What is the Ahlan Super Yes plan from e& Egypt?

The Ahlan Super Yes plan from e& Egypt is a prepaid tariff based on favorite numbers. Local minutes cost 15 piastres, SMS costs 30 piastres, minutes to other networks cost 25

piastres, while calls and SMS to favorite numbers (up to 10 numbers chosen by the customer) cost only 7 piastres.

How does a customer set favorite numbers in Ahlan Super Yes?

In the Ahlan Super Yes plan from e& Egypt, the customer sets favorite numbers in one of two ways: calling 535 at a cost of 60 piastres per call and following the prompts, or sending the number via SMS to 535 at a cost of 7 piastres. Changing or editing the list is free once every month.

What is the Ahlan by the Second plan from e& Egypt?

The Ahlan by the Second plan from e& Egypt is a prepaid tariff that bills by the second instead of the minute. The rate varies by time: 3 milliemes per second for the night period (from 12 midnight to 6 AM), and 4 milliemes per second for the daytime period (from 6 AM to 12 midnight).

What is the Daily Bundle in e& Egypt?

The Daily Bundle in e& Egypt is one of two quick bundles: 55 Mixes for 1.5 EGP (code *972#) or 120 Mixes for 2.5 EGP (code *973#). It is valid until midnight on the same day of subscription.

What are the Menu El Geneh bundles from e& Egypt?

Menu El Geneh from e& Egypt consists of 3 micro-bundles under code *101#: Half-Pound Menu (30 minutes to e& Egypt + 15 minutes to any network at 7 piastres/min), One-Pound Menu (60/30 + 20 MB), and One-and-a-Half-Pound Menu (120/60 + 40 MB).

What is the difference between Aqwa Card 19, 22.5, and 30 recharges from e& Egypt?

The main differences between these Aqwa Card recharges from e& Egypt are: The 19 EGP recharge offers 425 Mixes + 300 video/entertainment/social minutes + 400 Mix Hekaya Mini recharge, valid for 6 days. The 22.5 EGP recharge offers 550 Mixes + 320 minutes + 525 Mix Hekaya Mini recharge, valid for 7 days. The 30 EGP recharge offers 750 Mixes + 400 minutes + 700 Mix Hekaya Mini recharge, valid for 10 days.

What is the difference between Aqwa Card 44 and 45 recharges from e& Egypt?

The Aqwa Card 44 recharge from e& Egypt costs 44 EGP and gives the customer 1,100 Mixes with a 14-day validity, without video/entertainment minutes or a Hekaya Mini

recharge. Meanwhile, the Aqwa Card 45 recharge costs 45 EGP and gives only 700 Mixes, but with a longer validity (28 days).

Can a customer switch between different plans?

Yes, an e& Egypt customer can switch between different plans (Ahlan Pay As You Go, Daily Plans, Menu El Geneh) via the code *3333# or through the My e& Egypt app. Switching between Daily Bundles in e& Egypt is free of charge.

What is the code *811# in e& Egypt?

The code *811# in e& Egypt is the unified subscription code for all Aqwa Card recharges ranging from 5 EGP to 75 EGP.

What is the code *3333# in e& Egypt?

The code *3333# in e& Egypt is the general code for migrating between plans, inquiring about offers, changing bundles, and checking balances.
